## School Tours a Big Success!

Children from Meadville Elementary enjoying their lunch in museum classroom

Five of seven Elementary school have completed their annual tour to the museum to date. As they do every year, kids flocked to the interactive map and to the canoe with an abundant number of questions and plenty of excitement. Each tour lasted approximately one and one half hours. We would like to thank Paul Smith and PathStone Associate J. B. Tate for their help in giving guided tours.

Thank you for your support!
